Mon. 22nd June Finals of Ladies and Gents
Club Championships and Presidents Cup Final

The Ladies final was competed by Elizabeth Ross & Elizabeth Kelso with good steady golf being played by both. Elizabeth Ross took an early lead but Elizabeth Kelso fought back before being beaten on the 16th.

The gents final was fought out between Hamish Bannatyne and Mark Sherwood. Mark took an early lead and went 4 up after 7 but Hamish won the next 2 holes to turn 2 down. Mark again went up 3 up with 3 to play but Hamish wasn't giving in and won the 16th and 17th holes with birdies. With the match getting tighter they headed down the 18th which Mark won to win 2 up. Mark seems to be on a winning streak at the moment. Having made it through to the final at Machrie Mark found out that the High School Championship played at Lamlash was the same day and decided to play in that as well retaining that title in the morning before going on to win the Machrie Championship in the evening to add to the AGA Thompson Cup which he won a couple of weeks ago. In the Presidents Cup Willie Kelso lifted the Cup after Alistair MacDonald had to withdraw due to injury .

**Congratulations to Mark Sherwood & Elizabeth Ross
for winning the Club Championships - very well done.**

Also Willie Kelso for lifting the Presidents Cup.
